**RE: BELOW HERTZ JUNE 4, 2022 NO NOTICE FRAUDULENT TOLL BILLING, DEMAND FOR PROOF OF NOTICE AND VALIDATION**

Dear Hertz Toll Representative:

Again, despite notification to Hertz to not bill credit cards for tolls, money was seized off my credit card with no notice and for unknown excess toll fees. I am unclear as to who is doing this and why. Please let me know why Hertz toll department has refused to abide by the laws of the state in sending notice of alleged toll fees prior to money seizures. Please send me the name of the agent doing this. Please send proof of notification and please send me itemization and validation of the below money seized tolls.

As noted, in the below letter dated May 4, 2022, 5 tolls were used for less than \$25.00. The below debit card was sent to be used to prevent credit card billing. My right to notice of the toll billings was disregarded. My right to pay the tolls by debit card was disregarded. I would like to know why. My right to be billed for tolls fairly and with validation and itemization was disregarded. I would like to know why.

Please send the name of the agent doing this. Please answer the above questions. Please refund the money on my credit card. Please send me an itemized list of the toll fees. Please validate the toll fees.. Please fix this and stop this deliberate harassment. Please see the below no notice, unauthorized, and fraudulent escalated credit card toll billing:

Prompt attention and responses to this matter is needed. Thank you.

Sincerely,

**RE: ATTACHED VISA CARD READY TO PAY FOR THE APPROXIMATE 5 TOLLS I USED DURING THE RENTAL**

**526160736**

**AGREEMENT NUMBER**

**Dear Plate Pass Director:**

I write this in good faith seeking to pay for the tolls I used during the rental agreement noted above. The above noted agreement will be closed May 25, 2022. Hence, I am sending in the attached debit card to be used for the toll payments, as I do not want any credit card billings and payments. In the past, I was not notified of toll payments. They were billed to my credit card, with no notification to me and such caused unwarranted problems.

To avoid any problems, I authorize the use of the attached Gift card for the tolls I used during the above noted rental agreement number. Please send me the itemized toll bill first. Please do not bill my credit cards. Should further information be needed, please let me know. I have attached the ready to be used toll payment card. Thank you.

Sincerely,  
  
Miriam Snyder
